The room

Backed by 21 years of ProExpos shows across the country, Colorado's facilities leaders meet at COBFM to decide what to buy next.

Facilities directors, chief engineers, property managers and owners from across Colorado and the Rocky Mountain region, on one exhibit floor, with projects already in motion. Exhibitors get face time with the regional buyers in their territory, the full attendee list after the show, and a team that personally invites their target accounts.

In their words

“Fantastic conversations! Real people helping each other solve real challenges.”

Moat Systems, COBFM exhibitor

“The event was well organized and well run. Our team really enjoyed building relationships with the IFMA folks, as well as hosting a few of our current clients and prospective new clients interested in ways we can serve the market.”

LONG Building Technologies, COBFM exhibitor

“We had a great time at this event. 90% of folks who came by our booth seemed to really get what we were there to share. The other vendors were great to chat with as well, and we identified a few possible lead sharing relationships with other vendors on the floor. We will be back!”

Michaels Energy, COBFM exhibitor

“The event has already proven to be a valuable investment by helping us establish meaningful relationships with potential clients and industry partners.”
